14 terminate Plaintiff, compared to similarly situated non-Armenian employees who were not so
15 scrutinized, based on Plaintiff's national origin/ancestry (Armenian); and Plaintiff was required
16 to perform extra, additional and/or different work hours, work load, work duties and/or work
17 obligations, compared to similarly situated non-Armenian employees who were not required to
18 perform the same or similar extra, additional and/or different work hours, work load, work duties

22 **23.** On or about July 16, 2012, and continuing during and throughout Plaintiff's
23 employment through June 27, 2014, Defendant Bloomberg and Doe Defendants, their
24 employees, agents, representatives, managers and/or supervisors, within the course and scope of
25 such employment, agency and/or representation, denied Plaintiff raises, bonuses and promotions
26 based on Plaintiff's national origin/ancestry (Armenian). Plaintiff was subjected to disparate
27 treatment based on his national origin/ancestry (Armenian) when he was denied the same or
28 similar raises, bonuses, promotions, pay, and/or perks compared to other non-Armenian similarly

1 situated employees.

2 **24.** On or about July 16, 2012, and continuing during and throughout Plaintiff's
3 employment through June 27, 2014, Defendant Bloomberg and Doe Defendants, their
4 employees, agents, representatives, managers and/or supervisors, within the course and scope of
5 such employment, agency and/or representation, denied Plaintiff family medical care and/or
6 medical leave based on Plaintiff's national origin/ancestry (Armenian). Plaintiff was subjected to
7 disparate treatment based on his national origin/ancestry when he was denied the same or similar
8 family medical care and/or medical leave compared to other non-Armenian similarly situated
9 employees.

10 **25.** On or about July 16, 2012, and continuing during and throughout Plaintiff's
11 employment through June 27, 2014, Defendant Bloomberg and Doe Defendants, their
12 employees, agents, representatives, managers and/or supervisors, within the course and scope of
13 such employment, agency and/or representation, denied Plaintiff reinstatement to employment.
14 Plaintiff was subjected to disparate treatment based on his national origin/ancestry (Armenian)
15 when he was denied reinstatement compared to other non-Armenian similarly situated
16 employees.

17 **26.** On or about June 27, 2014, Defendant Bloomberg and Doe Defendants, their
18 employees, agents, representatives, managers and/or supervisors, within the course and scope of
19 such employment, agency and/or representation, terminated Plaintiff based on Plaintiff's
20 national origin/ancestry (Armenian) and Plaintiff's complaints of discrimination. Although said
21 Defendants claimed that Plaintiff's termination was based on the pretext alleged herein and/or
22 the complaints of other workers, Plaintiff performed his work as required by said Defendants.
23 Plaintiff was subjected to disparate treatment based on his national origin/ancestry (Armenian)
24 when he was terminated compared to other non-Armenian similarly situated employees.

25 **27.** Plaintiff complained of the discrimination, harassment, and/or ridicule alleged
26 herein to Defendant Bloomberg and/or Doe Defendants and/or said Defendants otherwise knew
27 or should have known about such discrimination, harassment, and/or ridicule. Notwithstanding,
28 said Defendants failed to undertake an effective, thorough, complete and objective investigation.

1 of the subject discrimination and harassment. Said Defendants failed to effectively, thoroughly,
2 completely and objectively interview those persons who had knowledge of the discrimination,
3 harassment, and/or ridicule of Plaintiff, including Plaintiff, the persons who discriminated,
4 harassed, and/or ridiculed Plaintiff, and/or other victims of the same or similar discrimination,
5 harassment, and/or ridicule. Said Defendants failed to fully and completely provide the results of
6 any investigation to Plaintiff, the persons who discriminated, harassed, and/or ridiculed Plaintiff,
7 and/or other victims of the same or similar discrimination, harassment, and/or ridicule. Said
8 Defendants failed to take appropriate and effective action against those persons who
9 discriminated, harassed, and/or ridiculed Plaintiff in proportion to the severity of the
10 discrimination, harassment, and/or ridicule suffered by Plaintiff.

11 **28.** On or about July 16, 2012, and continuing during and throughout Plaintiff's
12 employment through June 27, 2014, Defendant Bloomberg and/or Doe Defendants knew or
13 should have known about the discrimination, harassment, and/or ridicule of Plaintiff, and/or said
14 Defendants could have and should have reasonably anticipated national origin/ ancestry
15 harassment and discrimination occurring at the workplace. Notwithstanding, said Defendants
16 failed to take reasonable care and undertook no action to prevent and promptly correct such
17 harassing or discrimination involving employees toward Plaintiff and/or other employees. Said
18 Defendant knew or reasonably should have known that unless said Defendants intervened,
19 adequately supervised, controlled, regulated, disciplined, and/or otherwise prohibited such
20 harassing or discriminatory conduct involving employees toward Plaintiff and/or other
21 employees, the employees engaging in such harassing or discriminatory conduct would believe
22 and perceive that such conduct was ratified and/or condoned by said Defendants.

23 **29.** On or about July 16, 2012, and continuing during and throughout Plaintiff's
24 employment though June 27, 2014, the acts and conduct alleged herein by Defendant Bloomberg
25 and Doe Defendants, their employees, agents, representatives, managers and/or supervisors,
26 within the course and scope of such employment, agency and/or representation, were in violation
27 of California Government Code Section 12940 et seq. Said statute imposes certain duties upon
28 said Defendants, concerning discrimination and retaliation against persons, such as Plaintiff,

1 based on national origin/ancestry and the prohibition of national origin/ancestry discrimination
2 and retaliation. Said statute was intended to prevent the type of injury and damage alleged
3 herein.

4 **30.** On or about July 16, 2012, and continuing during and throughout Plaintiff's
5 employment through June 27, 2014, through the acts and conduct alleged herein by Defendant
6 Bloomberg and Doe Defendants, their employees, agents, representatives, managers and/or
7 supervisors, within the course and scope of such employment, agency and/or representation, said
8 Defendants, in violation of California Government Code Section 12940 et seq., knew about, or
9 should have known about, and failed to investigate and/or properly investigate, prevent or
10 remedy the national origin/ancestry discrimination and retaliation. The acts of discrimination
11 and retaliation alleged herein were sufficiently severe and/or pervasive so as to alter the
12 conditions of employment, and created an abusive and/or discriminatory working environment.
13 The discrimination and retaliation of Plaintiff because of his national origin/ancestry (Armenian),
14 through the actions and/or conduct alleged herein, amounted to unlawful conduct and/or actions
15 on the part of said Defendants, and Plaintiff's national origin/ancestry (Armenian) was a
16 substantial factor motivating said Defendants' conduct, and/or a motivating reason in said
17 Defendants' conduct.

18 **31.** On or about July 16, 2012, and continuing during and throughout Plaintiff's
19 employment through June 27, 2014, the acts and conduct alleged herein by Defendant Bloomberg
20 and Doe Defendants, their employees, agents, representatives, managers and/or supervisors,
21 within the course and scope of such employment, agency and/or representation, were the
22 proximate, legal cause and/or a substantial factor in causing damages to Plaintiff, both special
23 and general damages, according to proof at the time of trial.

24 **32.** On or about July 16, 2012, and continuing during and throughout Plaintiff's
25 employment through June 27, 2014, the wilful, knowing, and/or intentional acts and conduct of
26 discrimination and/or retaliation alleged herein by Defendant Bloomberg and Doe Defendants,
27 their employees, agents, representatives, managers and/or supervisors, within the course and
28 scope of such employment, agency and/or representation, directly and legally caused Plaintiff to

suffer actual damages pursuant to California Civil Code § 3333, including but not limited to, a substantial reduction in past and current income and future income potential in sums as may be shown according to proof; a substantial injury and damage to his occupation and professional reputation in a sum as may be shown according to proof; and extreme humiliation, embarrassment, depression, sleeplessness, emotional pain, emotional distress, mental anguish, loss of enjoyment of life and other losses from the date of said acts all to Plaintiff's damage in a sum as may be shown according to proof, as well as other general and special damages according to proof.

33. On or about July 16, 2012, and continuing during and throughout Plaintiff's employment through June 27, 2014, Defendant Bloomberg and Doe Defendants, their employees, agents, representatives, managers and/or supervisors, within the course and scope of such employment, agency and/or representation, committed the acts and conduct alleged herein maliciously, fraudulently and oppressively with the wrongful intention of injuring Plaintiff, from an improper and evil motive amounting to malice, and in conscious disregard of the rights of Plaintiff. As a result, Plaintiff requests and is entitled to an award of punitive damages.

34. On or about July 16, 2012, and continuing during and throughout Plaintiff's employment through June 27, 2014, as a result of the acts and conduct alleged herein of Defendant Bloomberg and Doe Defendants, their employees, agents, representatives, managers and/or supervisors, within the course and scope of such employment, agency and/or representation, Plaintiff requests and is entitled to attorneys' fees and prejudgment interest. Pursuant to California Government Code Section 12965(b), Plaintiff requests and is entitled to an award of attorneys' fees against said Defendants under this cause of action.

8 disparate treatment and the failure to make reasonable accommodations by said Defendants based
9 on Plaintiff's disability/medical condition (clinical depression) including, without limitation, as
10 follows: Plaintiff was constantly and continuously scrutinized for errors or fault in his work,
11 which was a pretext to build a basis to terminate Plaintiff for reasons other than his disability/
12 medical condition (clinical depression), which was actual motivation for the termination of
13 Plaintiff; and Plaintiff was required to perform extra, additional and/or different work hours,
14 work load, work duties and/or work obligations based on Plaintiff's disability/medical condition
15 (clinical depression). Plaintiff was subjected to retaliation when after he complained of such
16 adverse, disparate treatment and lack of reasonable accommodations he was then subjected to
17 worse and more frequent adverse, disparate treatment and lack of reasonable accommodations.

18 37. On or about July 16, 2012, and continuing during and throughout Plaintiff's
19 employment through June 27, 2014, Defendant Bloomberg and Doe Defendants, their
20 employees, agents, representatives, managers and/or supervisors, within the course and scope of
21 such employment, agency and/or representation, denied Plaintiff a work environment free from
22 disability/medical condition discrimination. The managers and/or supervisors allowed, permitted,
23 condoned and/or otherwise ratified other employees of Defendant Bloomberg and/or Does
24 Defendants to discriminate against Plaintiff, who subjected Plaintiff to separate, continuing and
25 ongoing incidents of adverse, disparate treatment based on Plaintiff's disability/medical
26 condition (clinical depression).

27 38. On or about July 16, 2012, and continuing during and throughout Plaintiff's
28 employment through June 27, 2014, Defendant Bloomberg and Doe Defendants, their

1 employees, agents, representatives, managers and/or supervisors, within the course and scope of
2 such employment, agency and/or representation, denied Plaintiff raises, bonuses and promotions
3 based on Plaintiff's disability/medical condition (clinical depression). Plaintiff was subjected to
4 adverse, disparate treatment when he was denied raises, bonuses, promotions, pay, and/or perks
5 based on Plaintiff's disability/medical condition (clinical depression).

6 **39.** On or about July 16, 2012, and continuing during and throughout Plaintiff's
7 employment through June 27, 2014, Defendant Bloomberg and Doe Defendants, their
8 employees, agents, representatives, managers and/or supervisors, within the course and scope of
9 such employment, agency and/or representation, denied Plaintiff family medical care and/or
10 medical leave based on Plaintiff's disability/medical condition (clinical depression). Plaintiff
11 was subjected to adverse, disparate treatment when he was denied family medical care and/or
12 medical leave based on Plaintiff's disability/medical condition (clinical depression).

13 **40.** On or about July 16, 2012, and continuing during and throughout Plaintiff's
14 employment through June 27, 2014, Defendant Bloomberg and Doe Defendants, their
15 employees, agents, representatives, managers and/or supervisors, within the course and scope of
16 such employment, agency and/or representation, denied Plaintiff reinstatement to employment.
17 Plaintiff was subjected to adverse, disparate treatment when he was denied reinstatement based
18 on Plaintiff's disability/medical condition (clinical depression).

19 **41.** On or about June 27, 2014, Defendant Bloomberg and Doe Defendants, their
20 employees, agents, representatives, managers and/or supervisors, within the course and scope of
21 such employment, agency and/or representation, terminated Plaintiff based on Plaintiff's
22 disability/medical condition (clinical depression). Although said Defendants claimed that
23 Plaintiff's termination was based on the pretext alleged herein and/or the complaints of other
24 workers, Plaintiff performed his work as required by said Defendants. Plaintiff's termination was
25 motivated by his disability/medical condition (clinical depression).

26 **42.** Plaintiff complained of the adverse treatment and failure to make reasonable
27 accommodations in consideration of his disability/medical condition (clinical depression) alleged
28 herein to Defendant Bloomberg and/or Doe Defendants and/or said Defendants otherwise knew

1 or should have known about such adverse, disparate treatment and failure to make reasonable
2 accommodations. Notwithstanding, said Defendants failed to undertake an effective, thorough,
3 complete and objective investigation of the subject discrimination. Said Defendants failed to
4 effectively, thoroughly, completely and objectively interview those persons who had knowledge
5 of the discrimination, including Plaintiff, the persons who discriminated against Plaintiff, and/or
6 other victims of the same or similar discrimination. Said Defendants failed to fully and
7 completely provide the results of any investigation to Plaintiff, the persons who discriminated,
8 against Plaintiff, and/or other victims of the same or similar discrimination. Said Defendants
9 failed to take appropriate and effective action against those persons who discriminated against
10 Plaintiff in proportion to the severity of the discrimination suffered by Plaintiff.

11 **43.** On or about July 16, 2012, and continuing during and throughout Plaintiff's
12 employment through June 27, 2014, Defendant Bloomberg and/or Doe Defendants knew or
13 should have known about the adverse, disparate treatment of Plaintiff and failure to make
14 reasonable accommodations in consideration of his disability/medical condition (clinical
15 depression) alleged herein, and/or said Defendants could have and should have reasonably
16 anticipated disability/medical condition discrimination occurring at the workplace.
17 Notwithstanding, said Defendants failed to take reasonable care and undertook no action to
18 prevent and promptly correct such discrimination involving employees toward Plaintiff and/or
19 other employees. Said Defendant knew or reasonably should have known that unless said
20 Defendants intervened, adequately supervised, controlled, regulated, disciplined, and/or
21 otherwise prohibited such discriminatory conduct involving employees toward Plaintiff and/or
22 other employees, the employees engaging in such harassing or discriminatory conduct would
23 believe and perceive that such conduct was ratified and/or condoned by said Defendants.

24 **44.** On or about July 16, 2012, and continuing during and throughout Plaintiff's
25 employment through June 27, 2014, the acts and conduct alleged herein by Defendant Bloomberg
26 and Doe Defendants, their employees, agents, representatives, managers and/or supervisors,
27 within the course and scope of such employment, agency and/or representation, were in violation
28 of California Government Code Section 12940 et seq. Said statute imposes certain duties upon

1 said Defendants, concerning discrimination and retaliation against persons, such as Plaintiff,
2 based on disability/medical condition. Said statute was intended to prevent the type of injury and
3 damage alleged herein.

4 **45.** On or about July 16, 2012, and continuing during and throughout Plaintiff's
5 employment through June 27, 2014, through the acts and conduct alleged herein by Defendant

10 remedy the disability/medical condition discrimination and retaliation. The acts of
11 discrimination and retaliation alleged herein were sufficiently severe and/or pervasive so as to
12 alter the conditions of employment, and created an abusive and/or discriminatory working
13 environment. The discrimination and retaliation of Plaintiff because of his disability/
14 medical condition (clinical depression), through the actions and/or conduct alleged herein,
15 amounted to unlawful conduct and/or actions on the part of said Defendants, and Plaintiff's
16 disability/medical condition (clinical depression) was a substantial factor motivating said
17 Defendants' conduct, and/or a motivating reason in said Defendants' conduct.

18 **46.** On or about July 16, 2012, and continuing during and throughout Plaintiff's
19 employment through June 27, 2014, the acts and conduct alleged herein by Defendant Bloomberg
20 and Doe Defendants, their employees, agents, representatives, managers and/or supervisors,
21 within the course and scope of such employment, agency and/or representation, were the
22 proximate, legal cause and/or a substantial factor in causing damages to Plaintiff, both special
23 and general damages, according to proof at the time of trial.

24 **47.** On or about July 16, 2012, and continuing during and throughout Plaintiff's
25 employment through June 27, 2014, the wilful, knowing, and/or intentional acts and conduct of
26 discrimination and/or retaliation alleged herein by Defendant Bloomberg and Doe Defendants,
27 their employees, agents, representatives, managers and/or supervisors, within the course and

 2 substantial reduction in past and current income and future income potential in sums as may be
 3 shown according to proof; a substantial injury and damage to his occupation and professional
 4 reputation in a sum as may be shown according to proof; and extreme humiliation,
 5 embarrassment, depression, sleeplessness, emotional pain, emotional distress, mental anguish,
 6 loss of enjoyment of life and other losses from the date of said acts all to Plaintiff's damage in a
 7 sum as may be shown according to proof, as well as other general and special damages according
 8 to proof.

9 **48.** On or about July 16, 2012, and continuing during and throughout Plaintiff's
 10 employment through June 27, 2014, Defendant Bloomberg and Doe Defendants, their
 11 employees, agents, representatives, managers and/or supervisors, within the course and scope of
 12 such employment, agency and/or representation, committed the acts and conduct alleged herein
 13 maliciously, fraudulently and oppressively with the wrongful intention of injuring Plaintiff, from
 14 an improper and evil motive amounting to malice, and in conscious disregard of the rights of
 15 Plaintiff. As a result, Plaintiff requests and is entitled to an award of punitive damages.
